SUPPLEMENT TO REPORT NO.

the field did not have any landing strip. A shed was on the northeast side of the field which measured about 50 \times 20 \times 14 meters; the roof was covered with tar paper, and the floor was of concrete. in this shad. The mail plane is sheltered or any tents. He did not see any guard at the airdrome. Neither did he see any antiaircraft guns or fortifications near the airfield.

The airfield at Vlone, constructed by the Italians, is situated at a distance of approximately one kilometer northwest of the city. The field was destroyed by the Germans and is now used as a pasture by the collective farm of Vlone. The field is not under cultivation.
